

Within each faith tradition is an imperative to protect the environment.

Join Rochester's Interfaith Community in our efforts to Recycle and Reuse

Earth Sunday

Volunteers will be waiting to unload your car.

Items Collected at the Jewish Community Federation

441 East Avenue

Pharmaceuticals – The Monroe County Department of Environmental Services along with the Sheriff's Office will be collecting outdated, unwanted and unusable prescription and non-prescription medications for proper disposal. Removing these medications from your home will help protect our environment and will protect against the misuse of these drugs.

Electronics – From cell-phones and hair dryers to computer monitors and TV's. These items contain hazardous materials such as lead and cadmium and need to be recycled properly. **Accepted equipment:** computers, monitors, typewriters, printers, circuit boards, fax machines, audio/visual equipment, cell phones, video game systems, microwaves, computer accessories. Televisions (there will be a \$10 charge to drop-off televisions).

No. 5 Plastics – They must be clean! Yogurt cups, hummus tubs, cottage cheese containers and other items like these, as well as medicine bottles and some microwave-safe take-out containers, are typically made from no.5 plastic or polypropylene and are not recycled locally at this time. Bring them to Earth Sunday and we will see that they are sent to a facility that will shred and re-use them for new products.

Clothing – Both children's and adult sizes will be collected for the benefit of Flower City Habitat for Humanity.
